

## High Quality Digital Print Media

RM-MT-54

### DESCRIPTION

Rite-MuralTEX - a coated 7mil polyester fabric with an acrylic removable pressure sensitive adhesive on a 90# stay flat liner provides excellent stability, allowing for removability, repositionable and reusable of graphics on normal wall surfaces. Excellent printability using solvent, eco-solvent and UV digital inks on wide format digital printers.

### APPLICATIONS

Rite-MuralTEX is designed for promotional application of decals and graphics to most types of painted interior walls, using flat, semi gloss or gloss paint finishes. Can be used in most promotional Wall graphics & short term outdoor applications. Decals may also be applied to sealed wall coverings. The surface must be smooth and clean prior to application. Rite-MuralTEX can be printed & or die-cut using any Print & Cut devices (e.g. Roland, Mimaki -Print & Cut)

### PRINTABILITY

Removable Wall Stickers for Home, Kids Rooms, Nursery, Dorm Rooms, Offices, bedrooms, kitchens, bathrooms, lobbies, offices, businesses etc.

Note- Rite-MuralTEX is designed exclusively for use in Promotional -Advertising campaigns or budget jobs and therefore does NOT carry any warranty or guarantee either expressed or implied of any kind. As we cannot anticipate or control conditions under which our products may be used and therefore cannot guarantee results obtained through their use. Testing of our products should be made by users to determine the suitability of these products for a specific purpose. The products are sold without warranty, either express or implied. If a warranty is required for your specific project, then products that carries a Warranty should be used. Important: Media should always be tested by user for compatibility with their printer and Ink combination.
